

# Making industries energy efficient with experience & expertise

**5bill.**

people worldwide  
will benefit daily  
from Danfoss Drives  
by 2025.

We live and breathe drives. Danfoss Drives is unique in that it is 100% focused on developing, manufacturing and supplying AC drives. Our portfolio of high-quality, application-optimized products maximizes process performance, saves the most energy and minimizes emissions.

## Some of the industries that we cater to:

- Marine & Offshore
- Food & Beverage
- Water & Wastewater
- HVAC/Building Automation
- Refrigeration
- Paper
- Sugar
- Mining & Minerals
- Cranes & Hoists
- Elevators & Escalators
- Chemical
- Metal

United by a passion for perfection, Danfoss and Vacon® merged together to open a new chapter of success, together becoming the world's largest independent drives provider.
