

COIMBATORE FOUNDRY

Quality Castings. On Time, Every Time.

Bradken offers quality castings for a wide range of applications with minimum lead time.

Bradken has nearly a century of experience in the manufacture of castings. Bradken's ISO and OHSAS-certified manufacturing facilities at Coimbatore are equipped with state-of-the-art machinery, as well as cutting-edge inspection and testing facilities. Modelling and simulation software are an added dimension.

Bradken's indelible stamp of excellence marks every step of the process – from modelling to melting and moulding, fettling to finishing, testing to transport. With a production capacity of 30,000 MT per annum at Coimbatore, India, Bradken is poised to meet your needs within the most stringent of schedules.
