

**Gamesa India  
cements its  
No.1\* position by  
adding 1GW in 1 year.  
*Thank you for making it happen.***

*We at Gamesa are celebrating our proudest moment, which wouldn't have been possible without your support. Thank you for propelling Gamesa to the top of the Indian wind energy industry, yet again. We have also achieved our fastest 1GW of installations in just one financial year - 2015-16. This milestone brings us a step closer to achieving India's renewable energy targets. We thank you once again for your steadfast support and look forward to many more years of success together.*
